AATA is an outdoor, nature-based education opportunity for Kindergarten-Middle School.

We are committed to creating a holistic environment that nurtures and inspires our children to embrace their unlimited potential, through an authentic experience of childhood. Incorporating Therapeutic Modalities, Holistic Health Practices, Whole-food Nutrition, Permaculture & Primitive Skills. Along with Natural Horsemanship, Music, and Core Academics!

Join our Sovereign Supper to help us meet our 2022 funding goals,
to ensure our operational expenses are met!
